

User Story examples for the project

User Story 1

As an Admin
I want to create and manage user accounts
So that only authorized personnel can access the system.

User Story 2

As an Admin
I want to assign roles to users
So that each user has appropriate permissions in the system.

User Story 3

As an Admin
I want to add and manage police departments
So that officers can be organized by department.

User Story 4

As a Police Officer
I want to create a new case
So that criminal incidents can be recorded in the system.

User Story 5

As a Police Officer
I want to update case information
So that investigation details remain accurate and up to date.

User Story 6

As a Detective
I want to assign suspects to a case
So that investigations can track potential criminals.

User Story 7

As a Police Officer
I want to upload evidence related to a case
So that all evidence is stored securely in one place.

User Story 8

As a Police Officer
I want to create incident reports
So that reported crimes are documented in the system.

User Story 9

As a Supervisor
I want to assign officers to specific cases
So that investigations are handled by the appropriate personnel.

User Story 10

As a Police Officer
I want to view all cases assigned to me
So that I can manage my investigation tasks efficiently.

User Story 11

As a Police Officer
I want to record arrest information
So that arrest records are properly documented.

User Story 12

As an Admin
I want to view statistics about crime cases
So that I can monitor trends and department performance.
